4x (intro)

I can see your wayward movement	Bm (2x)
I can sense your lost not found	Bm (2x)
I can feel those tears you're cryin'	Bm (2x)
Though I can't hear no sound	F#m Bm

And it seems we keep on tryin'
Though our pride hath brought us down
We're in the ring & we're fightin'
As we go round to round

War Love (4x)

A Bm

One day we are together Next day we are apart We're tossin' & a turnin' Like the waves upon the shore

One day you make me angry Next day you stole my heart Sometimes I feel like a leach Feedin' on the host

We play it out like a chess game As jealousy rages on You raise a gun to my forehead Still I want you more & more

War Love (4x) Lead Break (4x) War Love (4x)
